#2 GOD IS ... REVEALED IN HIS CREATION

Based on the message given by Pastor Adrian Collins on
Sunday October 20, 2019. It can be listened to at www.islandfmc.ca

1. Growing up, what were you taught in school about evolution or the big bang theory? How did that influence your view of who God is? Read Genesis 1:1-5. How do evolution and the big bang theory differ with the Biblical account of creation in Genesis 1?

2. Read Psalm 19:1-6. In what way does creation proclaim the glory of God? Think of a time when you were stopped in your tracks by the beauty of creation. Share it with the group.

3. Read Romans 1:19-20. Discuss this quote: "Creation is a living billboard that reveals God to us, even if we've never read the Bible".

4. Read Psalm 8:3-9. When we see the work of God's hands in creation, what should our response be? Practically, what does that look like in our daily lives?

5. Read Romans 1:21-23. What happens when we refuse to worship the God revealed in creation? In what ways today do we worship created things rather than the Creator.

Ask each person for any prayer requests. Pray for those requests, and close by asking the Lord to reveal to us who He really is.
